Mercury Drops To Low Point Following Snow

Temperature Drop Here To -17 As Cold Grips Area

Icy east winds ripped through this region following a snow bizzard over the New Year week end and in its wake temperatures here dropped to a low of 17 degrees below zero at the U.S. Forest Service Station and went from five to ten degrees lower in other parts of town. High temperature for the past week, according to the forest service was 42 degrees. Wind over Donner Sumrit was reported as high as 80 to 90 miles per hour.

The snow sortm over the week-end added 5.5 inches of new snow to the local pack to bring the amount on the ground yesterday to 30 inches. Precipitation recorded totaled .86 of inch and the total for the current season is now 11.20 compared to 6.45 inch for this date last year.

During last season only 5.5 inches of snow had been recorded on January 5 and this year on the same date the forest service reports a total of 97.5 inches has fallen.

The forecast is for continued cold weather during this week.

Both local schools were closed earlier this week because of a lack of water. The trouble was blamed for the most part on residents who permit their fawcets to run during the nights to prevent their freezing, a practice which is frowned upon by the officials of the utility district and other water sources.

Plumbers and pipe thawers were kept busy constantly trying to keep supplies in homes and businesses and tow trucks were equally busy as cold and frozen car motors refused to function. It is the coldest winter here since 1936-37 when the temperatures here dropped to nearly 40 below zero. Even southern California and the central valleys were recordiny sub-freezing temperatures with the loss to fruit and vegetable men went into millions of dollars.

TRUCKEE STORE PURCHASED BY LOCAL COUPLE

On another page of this week's Sierra Sun appears the announcement of the sale of the Truckee Tire and Automobile. On Thursday, Januarv 13, E. A. (Bud) Ott will sell the business to Mr. and Mrs. Thomas F. LaRocca.

Ott, with Ken Dorr of Tahoe, started the store over two years ago and has been operating it alone since buying his partner's interest about a year ago. He will be associated with his brother C. C. Ott in the operation of the Union Service Station at Bridge Street and Commercial Row.

The LaRoccas are well known here. She is the daughter of Mr. and Mrs. Joe Mattos and has for some years been employed by the Pacific Telephone and Telegraph Company. LaRocca has been here over three years and has been employed as a store salesman for much of that time.

JOINT INSTALLATION OF LODGE OFFICERS

A joint installation of officers for Pythian Sisters Summit Temple 79 and the Knights of Pythias Lodge will be held on Friday evening, January 28, in the IOOF hall.

A meeting of the Temple members will be held on Thursday evening January 13 at 8 o'clock at which all officers and the degree staff are urged to be present to practice for the installation. The Knights will meet the following evening to test the officers-elect and practice for installation.

Visit Briefly—

Major and Mrs. C. C. Campbell visited here briefly last weekend en route to his new station at Fort Douglas, Utah, from the Hawaiian Islands.

Back from Below—

Mr. and Mrs. Herb Mattheus returned Monday from a New Year weekend trip to San Francisco and Sacramento.

Red Cross Units Dedicated With Program Series

Carnival At Donner Is Feature Qf Local Celebration

A caravan of Red Cross officials from San Francisco, Sacramento, Auburn and Nevada City, headed by Robert F. Shea, deputy manager of the Pacific area, and including writers and photographers of the organization journied to the Donner Summit area on January 5 as guests of the Donner Trail Association.

As the initial step in a safety first program for this portion of Highway 40 residents of the Summit area recently took instruction from the Red Cross in first aid under C. C. Roumage of Auburn. The Red Cross yesterday dedicated six stations in the area between Emigrant Gap and the Summit. Never before in the history of the Red Cross had so many stations been dedicated at one time. Stations have been located at Ski Inn Lodge, Crampton's, Big Bend Ranger Station, Soda Springs Hotel, Yuba Gap Lodge, and Ski Hi.

First aid kits, bandages, blankets, stretchers, splints and other needed supplies will be kept at each station.

Taking part in the dedication were the Red Cross, the U. S. Forest Service, the State Highway Patrol, the Donner Community Club, the Donner Trail Association. The caravan started at Emigrant Gap and moved eastward, dedicating each station along the way. Traveling between five-foot snow banks, the visitors will be shown historical spots along the Donner Trail and will be given a history of the tragic Donner Party.

As a climax to the program, Tom Hull of the Hull Hotel chain donated Carnival on Ice, now playing at Hotel Golden in Reno. This attraction was presented at the foot of the summit grade at Donner Lake Lodge's outdoor ice pond. Members of the Truckee chamber of commerce and the Reno chamber as well as state dignitaries attended the show. For the benefit of photographers, Carnival on Ice staged an afternoon show.

MOTORISTS URGED TO REGISTER AS SOON AS POSSIBLE

Local motorists are being urged by the division of registration to take advantage of the early days of the motor registration renewal period to secure their 1949 tabs.

The Truckee office of the California Highway Patrol is accepting registration work between the hours of 1 and 4 p.m. each day. It was previously announced that registrations would be handled all day but a new ruling permits accepting applications only in the afternoons, according to Sergeant H. B. Fowler who is in charge of the local office.

Motorists should bring their 1941 potential certificates together withe the sum called for on the documents and the entire transaction can be completed locally. Those wishing to may mail their certificates with certified checks or money orders direct to the department of motor vehicles at Sacramento.

At Dolley Home—

Miss Frances Fitzgerald of Vallejo and Richard Haines of San Francisco were weekend guests at the home of Mr. and Mrs. N. F Dolley, the two women being cousins. Both visitors are engaged in newspaper work in the bay area.

Winter Sports Hold Spotlight In This District

James Thomas Trophy Is To Be Offered For Events

A number of major winter sports activities are on the program for the coming weeks in the Truckee area.

George Kamp is chairman of the 20-30 Club's Winter Sports Carnival committee which is planning a two day-program here on February 12 and 13. The affair will feature an inter-club meet with downhill and slalom and other activities. All 20-30 clubs in northern California and Nevada will be invited.

The Truckee Outing Club will meet tonight to discuss plans for a meet in which the James Thomas Memorial Cup will be the trophy. A downhill and slalom with possibly a giant slalom are tentatively planned but full details, dates and other data will be the object of tonight's meeting at Hill Top Lodge.

On February 22 the Oakland Ski Club has engaged the Veterans Hall for a festival and other clubs are expected to be invited to join. Earl Stice, adjutant of the local American Legion post, said he had not been informed whether the affair would be public or purely invitational.

Crandall Brothers of Hill Top Lodge are preparing for increasing crowds as the season advances. More than 150 enjoyed the facilities of the lodge last Sunday and several excursions are proposed for coming weeks. Lloyd Van Sickle, who operates the dog teams at the lodge, is enjoying a good business and scores are enjoying the thrilling rides offered.

Efforts to have a dog derby here this winter are still being furthered and a definite announcement is expected regarding the dates and events in the near future.

CHAIN "BANDITS" RAPPED AS CAR DRIVERS BILKED

Superintendent of Highways T. T. Buell this week severely criticized the unscrupulous practices of a few "tire chain bandits" who have been bilking motorists by informing them chains are needed over Donner Summit when the road was practically bare.

The superintendent said that most local and nearby garage and service station men are not misinforming the drivers but that in some parts of Nevada roadside "dealers" are putting out signs and otherwise stopping drivers with a story of chains being required and making sales when no chains are required.

LARGE BOBCAT CAUGHT BY BERG

A 29½ pound female bobcat, taken in the Truckee River Canyon east of here on December 31, topped the list of predatory animals taken by Gil Berg, state trapper, here during December. Earlier in the month, Berg trapped five coyotes and a wild house cat in this district.

TRUCKEE NATIVE EXPIRES IN RENO

Funeral services were held in Reno Friday for Mrs. Mae Ellen Matthiesen who passed away in that city on December 29. Rev. Robert Bruce Martin of the Emmanuel Baptist Church at Sparks conducted the last rites. Mrs. Matthiesen is survived by a sister, Mrs. Dora Silvey of Sparks and a number of nieces and nephews in California and Nevada.

The deceased was a native of Truckee.

Visit Friends—

Mr. and Mrs. Tom Griffen of San Francisco, recently married in the bay city, were visiting friends here over the weekend. Griffen is a former Truckee teacher and is now employed in San

Recovering—

Mrs. Roxie Archie is recuperating this week at her home from a severe cold.

Sun Beams

by Walter M. Barrett

This is the last opportunity we will have to urge full attendance at the meeting of the board of supervisors in Nevada City next Monday when a final and definite decision will be reached on the proposed local hospital district. We cannot over emphasize the importance of this session and Chairman Little points out the need for support of his committee at this vital session. It is within the province of the board to refuse an election and unless we make it known what our wishes are in the matter, this may be their action. If we want a hospital—and we feel certain that the vast majority does—then this small effort must be made. Your hospital committee has devoted months of concerted effort to the project and it would be entirely unfair to let them down at this time. Make plans now to attend the meeting; contact Chairman Little and advise him of your wishes and he will find some method for you to attend.

We are not so much impressed with the success of merchants and other businessmen who use newspaper advertising as we are with the lack of success which shadows those who do not advertise. A survey of the stores which advertise and those which do not will quickly convince you of what we mean. We know that it is not altogether the advertising which makes a store successful. The merchant must be alert to the needs of his patrons, he must keep pace with the latest merchandising ideas and present his product in a manner appealing to the customer and render a pleasant service. But paramount is the need to let people know what he is selling and this can be best accomplished through consistent, intelligent newspaper advertising.

SCHOOLS CLOSED WATER SUPPLY IS FROZEN OFF

Norman Sarratt, principal of the grammar school, yesterday announced there would be no classes until next Monday. The school was scheduled to resume last Monday but the shortage of water since that time has prevented resumption.

Classes at the high school also will not be resumed until Monday because of the water situation.

A meeting of the Truckee Union PTA, scheduled on Friday night at the grammar school has also been cancelled, reports Mrs. Harry Eaton, president.

EAGLES TO HOLD VITAL SESSION HERE TONIGHT

An important meeting of Truckee Aerie No. 1124. Fraternal Order of Eagles will be held tonight at 8 o'clock at IOOF Hall according to announcements sent out by Secretary John Rau. A lunch will be served and all members are urged to attend to discuss important issues.

ELEVEN MEASURES DEFEATED BY VOTE

Eleven of the 19 measures submitted to the California voters at the November 2 election were defeated, according to Secretary of State Frank M. Jordan in Sacramento. Of the eight which passed, interest was highest in the Truckee area on Proposition 3—repeal of the California Full Train Crew Law.

The official vote was 1,767,587 in favor and 1,703,303 against the repeal. Over the state as a whole, the favorable majority was around 64,000 and in Los Angeles County alone 81,000.

More money was spent on this measure than on any of the 18 others, according to financial statements filed with the state official. The committee for the measure expended $1,188,174.79 to secure its passage while opponents spent $208,027.13, according to Western News Service.

Green Home Is Demolished By New Year Fire

Truckee River Home Is Wiped Out Despite Aid Of Firemen

On the afternoon of December 30 the home of Mr. and Mrs. William Greene on the Truckee River, about a mile south of Squaw Creek, was demolished by fire.

Greene, now residing at Reno, had come to the family summer home to shovel snow. He built a fire in the kitchen incenerator and had gone outside to shovel. In a short while clouds of smoke started to billow from the chimney and soon the whole house was ablaze. Fire Chiefs N. F. Dolley of Truckee, Joe Henry, Basil Kehoe and Bill Bechdolt of Tahoe accompanied by other volunteers hurried to the scene of the blaze to aid in combatting the fire but the house was too far gone to save anything.

The five room house was built many years ago by the late Mrs. Josephine Crane, Mrs. Greene's mother, and contained many valuable antiques. The Greenes saved much of their belongings when they took them upon moving to Reno earlier in the season. The loss is believed partially covered by insurance. Due to heavy snow on the surrounding trees and the housetop, the guest cabin and a garage on the property were saved from destruction.

Greene said he believed the recent earthquake may have dislodged bricks in the chimney, causing the blaze.

The beautiful home of Mrs. Elizabeth Walker, a sister of Mrs. Crane, was spared because of heavy snow and lack of wind.

COUNTY SHARES IN RELIEF FUND UNDER NEW LAW

Nevada County had a windfall of $25.728 as a result of the state taking over administration of aid to the needy aged and blind on January 1 under the terms of Proposition 4 (Article XXV of the California Constitution), the California Taxpayers Association estimated.

The estimated surplus includes $18.937 budgeted for the county's share of aid to the needy aged for the January to June, 1949, period, and $2157 budgeted for aid to the blind, together with $4634 budgeted for administrative costs for aged and blind aid for December, 1948, through June, 1949. Taxes have already been levied to raise this $25.728 and are included in the $431.973 property tax levy for general county purposes for 1948-49.

FREIGHT VOLUME HEAVY ON S. P. DURING 1948 YEAR

The volume of freight service rendered by Southern Pacific in 1948 was the greatest of any peacetime year, President A. T. Mercier announced in a year-end review of company activities. The company rolled up over 37 billion revenue net ton miles, the equivalent of transporting more than 4,000 tons of freight around the world at the equator every day of the year, it was computed.

Passenger business, though below wartime peaks, held up well in 1948 and continued to run ahead of pre-war traffic.

The company's ability to handle the record peacetime traffic with dispatch is due in great degree to large capital expenditures for plant improvement, including further dieselization of motive power.

Southern Pacific has authorized expenditure of $217,553,000 for new rolling stock since V-J Day. This provides for 20,400 new freight cars, 185 passenger cars, 130 cabooses, 195 diesel-electric locomotives and half ownership of 8,000 additional regrigerator cars for Pacific Fruit Express.

Francisco.

In Los Angeles—

Mrs. N. F. Dolley and Mrs. L. D. Nelson are spending this week in Glendale and Los Angeles.

Basketball Team Wins As Extra Period Required

Local Boys Will Meet Colfax Fireballs In Game Here

The Truckee town basketball team squeezed by their toughest opponents to date last night when they downed a fast-moving Reno Ink Spots 48 to 43 after the game went into a three minute overtime period. The score was tied at 41 to 41 when time ran out after the lead had see-sawed all through the final quarter. Both teams played hard ball all the way, keeping spectators on the edge of their seats throughout.

This was the Legion-sponsored town team's sixth straight win this season.

This victory string is not expected to impress the Colfax Fireballs who come here for a game Saturday night on the local court. The lads from over the mountain are tough and the Truckee boys will be in there all through the game to upset the team that stood them off so often last season.

On Friday night, the Truckee high school team will be out to avenge an early season defeat at the hands of Loyalton. This return game will be played at the usual time—7:45—on the court here.

A partial schedule for the town team includes the following Reno teams on the Legion court here: January 11: Co-Ops; January 15, Vaughn Mills; January 29, 1st National Bank.

There are other games scheduled during the period covered but definite dates have not been set. Notices of basketball games are generally posted around town a day or so ahead of the game.

JOHN WARNACK, TAHOE REALTOR, DIES IN SOUTH

Lake Tahoe and particularly the Tahoe Cedars district lost one of its most ardent boosters Monday when John Warnack, 70, expired following a long illness at the Sawtelle Hospital in West Los Angeles. Although suffering from an incurable disease for the past year or more, Warnack continued his work as realtor and because of his cheerful nature even close friends were unaware of his suffering.

For more than a year Warnack officiated as a special correspondent for the Sierra Sun and his weekly column was read and enjoyed by hundreds who learned to know and admire him for his friendly comments and his unquestioned ambition to boost the lake area.

Although a resident of Hollywood, Warnack spent the past several summers at Tahoe Cedars where he was employed by R. H. Stronsnider.

Funeral services were held yesterday, according to word relayed to the Sierra Sun by Mrs. R. I. Collard, a personal friend at Homewood. He is survived by his wife, Carrie, two sons, one daughter and five grandchildren. He was a veteran of World War I.

John Warnack will be greatly missed by his many friends throughout this region.

SNOW EXPERT IS ROTARY SPEAKER

Lyle Hansen, supervisor in the Central Snow Laboratory at Soda Springs, spoke and showed slides on the radio activity in measuring water content at the regular meeting of the Rotary Club at Donner Lake Lodge on Monday, January 3. Virgil Misener of Soda Springs was program chairman. Guests were Parley Merrill and Virgil Jones of Soda Springs and Louis Euer of Truckee. Visiting Rotarians were William Neubauer of Minnesota; Basil Kehoe and Harry Johanson, both of Tahoe.

At Football Game—

Mr. and Mrs. V. L. Deaton enjoyed the East-West football game at San Francisco on New Year's Day.

Final Hearing On Hospital Project Monday Morning

Large Delegation From District Expected To Attend

If the residents of the proposed Tahoe Forest Hospital District are sincere in their desire to complete the project it is imperative that as many as possible attend the hearing before the Nevada County board of supervisors next Monday, January 10, at 11 a.m.

This was the opinion of R. N. Little, chairman of the joint hospital planning committee, who is attempting to assemble a representative delegation from Truckee and the rest of the proposed district.

Unless the supervisors look with favor upon the proposal, it is within their power to decline to call an election and the hard work and months of effort by the committee will have been completely wasted. On the other hand if sufficient interest is manifested, they will undoubtedly call an election and residents of the district will make the final decision, Little stated.

Supervisor H. G. Loehr, who has also served on the committee and who has taken an active interest in the hospital project, also is urging a large delegation to attend the meeting.

Anyone wishing transportation or who has transportation available is asked to contact Little so that there will be no confusion and so that everyone desiring to attend may do so and aid in the project.

LOCAL SPORTSMEN TO ATTEND FISH, GAME MEETING

Proposed angling regulations for the current year plus suggested closing of lakes and streams in many parts of the state are expected to highlight a meeting of the California fish and game commission meeting in Los Angeles Friday and Saturday, it was announced by the division of fish and game.

President A. G. Bradshaw, Vice President H. H. Hodson and Secretary Robert Seibold are expected to represent the Truckee Outdoor Sportsmen.

The commission will hear proposals of sportsmen and others relative to suggested changes in the present fishing laws and will submit to the commission suggestions for closing of certain area waters to conserve fish.

Other business to come before the commission will include proposed revision of laws governing fish screens.

Under a proposal it is urged that the commission be permitted to construct and maintain screens on certain waterways and to instruct utilities in maintaining same; also to determine the minimum flow of water which should be allowed to pass through these screens.

ODELL AGAIN TO HEAD BOARD AS ELECTION HELD

Warren Odell of the fourth district was reelected chairman of the Nevada County board of supervisors at their annual reorganization meeting this week. Frank Rowe was named as vice chairman. Rowe was also named to represent the board at the Weimar Joint Sanitorium Central Committee with the new board member, Carl J. Tobiassen from the first district, as alternate.

Court house committeemen are H. G. Loehr of Truckee and Tobiassen while the county hospital committee comprises Rowe and J. C. Coughlin of the third district. Carl Larson and Ida Guenther were renamed as building custodians. County Clerk R. E. Deeble was reappointed purchasing agent.

An informal ceremony with an exchange of gifts honored Cary Arbogast of the first district who is retiring from the board after 16 years.

ONE MINOR AUTO MISHAP MARS HOLIDAY WEEK

Only one minor motor vehicle accident marred the New Year weekend in the Truckee area, according to a report from the highway patrol. More than 30 arrests were made, however, as officers worked to limit mishaps.

Richard C. Logan, 28, of San Francisco, and Mathus Logan, 30, Vallejo, suffered minor injuries when a car driven by the former skidded and hit a bridge east of here Sunday evening. The driver was cited for speeding by Patrolman George Schrom.

Tahoe Commodore Seeking Spot On U. S. Boat Team

R. Stanley Dollar Jr., grandson of the late Captain Robert Dollar, renowned shipping magnate, has informed the Yachtsmen's Association of America that he wishes to try for a place on the United States three-boat team competing for the Harmsworth Trophy (official name, British International Trophy).

The race is to be held in Detroit, perhaps the weekend of July 29 through August 1, 1949. Ernest Wilson, owner of Miss Canada III, winner of the Silver Cup Race in Detroit last September 6, has been received and it is definite there will be a Harmsworth Trophy Race in 1949—the first since 1933.

Canada's challenge, made by Gar Wood has kept the trophy in the United States since 1920 when he won it at Osborne Bay, England with Miss America I. He successfully defended the trophy in 1921, 1926, 1928, 1929, 1930, 1931, 1932 and 1933.

Under the rules of the Royal Motor Yacht Club of London and the Harmsworth estate, each country is allowed a three-boat team. Since there are many eligible boats in the United States it is presumed there will be a qualification race some time before the Harmsworth Trophy race.

R. Stanley Dollar Jr., commodore of the Tahoe Yacht Club, has been racing speed boats since he was 15 years old and has won the Lake Tahoe championship ten times. In 1935 he was the only American entrant in the Sprecckels Trophy Race of the International Speedboat Races held on the Seine at Paris, France.

In 1948, he entered his new aluminum streamlined hydroplane Skip-A-Long in the Gold and Silver Cup Races at Detroit. In the Silver Cup Race he won the Lt. J. J. Meehan Jr. trophy and plaque for the fastest lap with a speed of 78.182 mph. In this race he took the lead in the second lap and by the ninth lap was a mile and a half ahead of his closest opponent, Miss Canada. At the end of this lap he was forced to drop out of the race because a plate from his driveshaft stuffing box had torn loose and water was fast filling the hull.

FLORISTON

by CLARA FELESINA

FLORISTON— This small mountain community was pretty severely shaken last week by the Monday and Wednesday series of earthquakes that so badly damaged the neighboring town of Verdi but except for a few shattered nerves, the damage was slight, being confined to fallen chimney tops and a few things knocked from shelves and one broken mirror. Three shakes were felt on Monday but only the early Wednesday quake did damage. Slight shakes were felt on Wednesday night and early on Thursday morning.

R. E. Griswald of Dunedin, Florida, has been making an extended visit with his son-in-law and daughter, Mr. and Mrs. Edward Brooks. Wonder how our earthquakes compare with Florida's hurricanes.

Mr. and Mrs. Robert Doaks and daughter Patsy have moved to Pittsburg, Calif.

Sherrill Ann and Jerry Felesina of Sparks, Nev. have been spending the past week with their aunt and uncle, Mr. and Mrs. Lester Felesina.

Mr. and Mrs. John Northrup and son Jackie have moved to Hawthorne, Nevada.

Miss Mary Garbutt of San Francisco spent New Year's with Mr. and Mrs. A. N. Bartel.

The Misses Norma Jean and Patricia West of Sacramento spent the holidays with their parents, Mr. and Mrs. Jack West.

Peter Hetzer, SK1c of the U.S. Navy, is spending a ten-day furlough with Mr. and Mrs. Wesley Craig.

TAHOE HIGH SCHOOL WILL RECESS ON JANUARY 14

TAHOE CITY— Mrs. Bliss Hinkle, principal of the Placer high school branch at Tahoe, announces that classes will recess for the semester on January 14 and reopen February 28 for the spring semester.

The school lost three pupils last week when twins Everett and Edward Sutton of Kings Beach accompanied their parents to Huntington Park for the winter Larry Reynolds, who resided with his family at the Nooncchester Mine, will winter in Sacramento.

Mr. and Mrs. Phil Gallinger are now on vacation having closed their home in Tahoe City. Mrs. Gallinger is principal of the grammar school here.

FAMILY DINNER MARKS NEW YEAR ADVENT

TAHOE CITY— Mrs. Mary Planett of Verdi and son Fred on Sunday entertained for New Year dinner Mr. and Mrs. A. M. Henry, Mr. and Mrs. Al Henry Jr. and children Karen and Gary all of Tahoe City and Mr. and Mrs. Verne Daniels of Lake Forest.

MERCURY AGAIN SLIPS BELOW ZERO AT TAHOE

TAHOE CITY— The level of Lake Tahoe on Monday morning stood at 6224.65 with 206 CSF of water leaving the gates here. Lowest temperature of the week up to Monday was that day with one degree below zero registered and warmest was Dec. 31 with 37 degrees. Precipitation for the week was .76 of an inch and snow on the ground measured 48 inches at Tahoe City.

During the war, Angel Island in San Francisco Bay was a prisoner of war camp.

Summit Scene

by FRAN COUILLARD

Busiest weekend ever! So say all the resort owners and operators. There wasn't a bed to be had from Emigrant Gap to Truckee. There wasn't a ski hill that didn't look like a frosted cake covered with ants. There wasn't a bar stool vacant. Did we say stool? They were packed three and four deep. Think the guy that invents a tiered stadium to fit around his bar New Years Eve will make a fortune. One ambitious fellow suffered a wee bit of damage from celebrants but said "I don't give a darn—I'm so grateful that this year has started with such a bang." As usual when a good year is in full swing the sleeping bags were stretched in every conceivable bit of floor space. We marvel at this when we count the extra accomodations that have been added in the past couple of years, and all chuck full last weekend.

Private parties were in full swing New Years Eve too. The John Johansens, the Bill Stricklands, the Bill Greys all entertained. The Sheritts had friends from the bay area as weekend guests. The Miseners had guests. The Ledgerwoods, the Olivers, the Dreyfuses all came to their mountain cabins for the weekend.

Ski tow operators, in spite of a New Year Day snow fall and a day following of intense wind, still had no complaints. The Soda Springs Ski Hill blossomed out with a new broadcasting system. All cars that went down the hill carried the new "We've Been Skiing on the Donner Trail" bumper strips.

Nat Williamson came home with Sherman, the new son, from a Nevada City hospital.

Emma Smout helping herd the guests at Donner Summit Lodge in her capacity as dining room hostess. Soda Springs Hotel blossomed out with two ver attractive waitresses.

Helen Bergman trots back and forth serving hamburgers at the Soda Springs Coffee Shop with a becoming dash of mustard on her face. Betty Aro scurries around with her hamburgers and hot mulled wine at the Ski Ranch Chuck Wagon. Ernie and Margot Nordstrum opened up on the stroke of midnight at Ski Hi and enjoyed a grand opening night business.

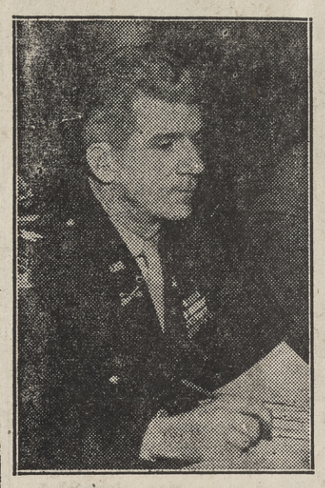
Tired looking Christmas tree droop their branches toward the floor and await the time they will fill the air with their pungent odor from a nice warm fireplace. Floors beautifully polished for the New Year party become trays of gummy wax and await another refinishing.

Reservation clerks look at the heap of new reservations coming in, shrug their shoulders and prepare to "fill 'er up again". Tow operators send up their crews to fill up the sitzmarks and check equipment for next week's run. Tired but extremely confident in a good season ahead and thus happy.

See a little calendar on our desk "Compliments of the Donner Community Club." Understand that over 200 of them were sent out along the Donner Trail.

U. S. MILITARY GOVERNOR IN BERLIN HAS DIFFICULT BUT INTERESTING JOB

A key figure in the troubled Berlin picture these days is Colonel Frank L. Howley, a wiry little Cavalry reserve officer who holds the



position of director of military government in the U. S. sector of Berlin.

The high level policy which determines the American position in the beleaguered former German capital is the work of Colonel Howley's military and diplomatic superiors. But it is Col. Howley who is responsible for the day-by-day working out of that policy as it affects the welfare of more than a million Germans and all Americans in the U. S. sector.

The fuel, food and other necessities brought in by the airlift to keep life going in the U. S., British and French zones of the city are apportioned among the governing agencies of the three zones in accordance with rigidly determined schedules.

It is an important part of Col. Howley's job to see that the supplies allotted to his zone are distributed and utilized in a manner to insure maintenance of the zone's economic and political life at as nearly normal levels as conditions will permit.

The task of keeping the wheels in an occupied area turning, whether there is enough coal to do it with or not, is not new to the former Philadelphia advertising executive.

After the fall of Cherbourg in June, 1944, he headed the Civil Affairs detachment which entered the city with the occupying forces. His immediate job there was to see that the city with its wrecked port facilities was put on its feet as quickly as possible, to supply the Army's advance to Paris and the Rhine.

Later, when Paris was liberated in August, 1944, he took his Civil Affairs unit to that city and performed the same kind of job on a much bigger scale during the remainder of the war in Europe. On July 4, 1945, he entered Berlin with the first American forces to arrive there, and set up the military government for the U. S. sector.

Except for brief visits home, he has been in Berlin ever since, serving as a sort of unofficial mayor of the U. S.-governed area, and a military Mr. Fixit for the crises that have arisen almost daily in both the city's internal affairs and our dealings with the Russians.

Colonel Howley's wife and four children are with him in Germany.

YEAR ROUNDERS SIGN UP 95% IN TAHOE CHAMBER

Membership of businesses open all winter at the Lake in the Lake Tahoe Chamber of Commerce has exceeded 95 per cent.

Earl Pankost, secretary-manager, said the month-old organization has 176 paid-up members as against about 150 winter businesses in the lake area. The remainder are individuals who have made donations to support the chamber's work.

Less than a dozen businesses remain unsubscribed, Pankost added, in most cases because the owners were away during the holidays and could not be contacted.

"This the first time in the history of Lake Tahoe," says President A. E. Abbott of Kings Beach "that all the businessmen, big and little, have combined to present a united front for the good of the entire area. The chamber of commerce is filling a long felt need both here and in outside agencies interested in Lake Tahoe."

Abbott said a new membership drive will be launched in the spring shortly before the first annual election of officers and directors in June.

LAKE TAHOE SKI CLUB MEETS ON FRIDAY

TAHOE CITY— Members of the Lake Tahoe Ski Club will meet in Tahoe Community Hall Friday evening, January 7. All members are urged to present. Entertainment and refreshments will follow the business session.

The ski tow on the hill near Tahoe City operated over the holidays with Bob Pomin in charge. A permanent operator is still being sought and anyone interested may contact President Bill Bechdolt at Tahoe Inn.

LAKE TAHOE REGION PERSONAL ITEMS

Lt. James Easton, USN, visited December 28 with his grandparents Capt. and Mrs. John Kvistberg of Tahoe Park. He is now stateioned on the General William S. Randal which is anchored at Hunters Point. He is scheduled to sail for the Hawaiian Islands and Guam after which he may enter service in the far east. Captain Kvistberg has been called back by the Navy for examinations and possible reclassifications.

The Jake Obexers of Homewood are wintering at their home in Lincoln, Calif.

Tahoeite Betty Gates is at Tombstone, Arizona.

Mervyn Brenner of Tahoma has returned to San Francisco for the winter.

Mr. and Mrs. Jim Gowing of Deer Park are enjoying a visit in Hollywood. They reported seeing Art Leitch of Truckee at the Rose parade in Pasadena on New Year Day.

The Theodore Schlueters braved the New Year Day storm to dine with Chester Langensteins at their home near Carnelian Bay.

Judge and Mrs. C. W. Vernon and daughters, accompanied by Mrs. Beryl Parham of Kings Beach celebrated New Year Day by dining at Verne and Celeste's and thence to the movies. Miss Lillian Vernon, now teaching at Desoto, enjoyed the holidays at Tahoe.

James Baker of the highway crew on Donner Summit spent the holidays weekend at his home at Tahoe City.

Pete Ables, with the Navy, and Howard Carnell, in the Marine Corps, at San Diego have returned to duty following holiday furloughs with families and friends at Tahoe.

Cold hands—cold wet feet—are important reasons why QUICK ELECTRIC HEAT is an invaluable aid to your health and comfort in wintry January.

When you dress of a morning and the big furnace has not started its good work of keeping the whole house warm—plug in a quick-acting electric heater. You will like the down-close-to-the-floor-heat from a modern electric heater. When you eat breakfast have the sunny warmth of Electric Heat glowing beside you. When you come back from shopping or the children get home from school or the man of the house gets home in the evening, wet clothes and shoes are dryed out quickly by an electric heater. And the hands soon warm up with a tingle of comfort when they soak up radiant Electric Heat.

The weather man gave 1949 a snappy reception with cold winds a new blanket of snow over the Tahoe area. Skis. sleds and toboggans have been in evidence everywhere as children turned out to enjoy the winter weather. For the man of the house it's a different story—he's been spending most of his time thawing out the plumbing.

New Year's Eve was celebrated with a number of parties. Open house at the Burroughs brought some 35 neighbors and friends together. While waiting for the New Year, the time was spent in dancing and visiting. It was "Happy Birthday" for Carl Sorensen and all joined in good wishes for 1949. The large dining room table was loaded down with appetizers, salads and sandwiches of all kinds. Everyone had a most enjoyable evening. Among present were Messrs. and Mesdames Harry Mason, Cope, Ted Barrett, Mulford Miles, Earl Noel, Jerry Perkins, W. T. Drury, I. F. Miles, Ernie Crawford, Joe Myers, A. E. Abbott, Dave Hall, Carl Sorenson, Dick Lavery and Mac Burroughs; Roy Cox, Mary Starr, Alice Sorenson, and Dorothy O'Brien.

Mignon Redinger surprised her family and friends when she arrived unexepectedly from Denver early last Sunday morning. She reported heavy snows all the way from Cheyenne, their bus arriving four hours late in Reno. She expects to remain in Kings Beach for the rest of the winter.

Bartow Barnett spent New Year with his family at Kings Beach, returnng to San Francisco Monday night where he is temporarily employed while awaiting a berth in the Merchant Marine.

Harry Crawford stopped in at the Burroughs for a few minutes on his return to the lake New Year's Eve. Harry has recently reenlisted in the Navy and plans to take up aerial photography. He expects to leave for Guam in the very near future.

Barbara O'Brien has returned to her studies at Humboldt State College after spending Christmas vacation at her home in Kings Beach. She had a grand time while here visiting with friends and enjoying the snow.

Florence Miles left early Tuesday to drive her son Douglas back to Fort Ord. She will visit with Camie and Bill Althof before returning to the lake Sunday. Florence was accompanied by her younger son David. Doug will remain at Fort Ord for four more weeks before being assigned to another station.

Jim Astle accompanied the J. A. Freys of Tahoe City over the past weekend. They spent the time in Reno at the home of Mrs. Frey's mother, Mrs. E. Walner. Jim reports they enjoyed turkey dinner together New Year's Day and all had a grand time.

Melvin and Carmel Throop spent the holidays in San Francisco visiting with relatives. Their daughter Connie joined them on Christmas Day, making the trip from Arcata where she is attending Humboldt State College.

The Perkins, who operate the Tahoe City bakery, spent Saturday and Sunday with the Burroughs of Tahoe Vista. The Harry Masons joined them on Saturday for dinner.

Mrs. Ed Sutton, Clara Van Hooser and Mae Meisenheimer gave a party last Monday night for a number of the young people. It was in the nature of a farewell as the Suttons are leaving for Los Angeles in a few days. Their two boys, Edward and Everett, have been attending high school at Tahoe this past term. On arriving at the Sutton home, the group learned that the occasion was also Mrs. Sutton's birthday. Dancing and movies shown by Mr. Sutton furnished entertainment for the young people after which refreshments were served. Present were Pat Allen, Loma and Ray Sorenson, Jimmy Crawford, Pat English, David Miles, Dianna and Jacquie Abbott, Phyllis Astle, Fred Redinger, Borue O'Brien, Mr. and Mrs. Jerome Little and their three children, Sharon, Nolan and Karen, Betty and Patsy Meisenheimer; JoAnn, Hugh, Jack and Donald Van Hooser and Mr. and Mrs. Ralph Davis.

SANTA ARRIVES in subfreezing weather to greet over 250 North Tahoe residents on Dec. 23. His sled was drawn by a team of white Samoyed sled dogs owned by Harry Johanson. Santa's visit to the Kings Beach area was chronicled in last week's Sierra Sun.

FIRE DISTRICT EXTENSION TOPIC OF MEETING

TAHOE CITY— Fire Chief Al Henry Jr. of Tahoe City will preside at public meeting at 7:30 Thursday evening, January 6, in Tahoe Community Hall to discuss extension of the local fire protection district. Tahoe Park and Lake Forest districts are studying possible annexation. Dr. George Clarke and Charles Henrikson of Lake Forest; Theodore Schlueter and E. H. Pomin of Tahoe Park have been in charge of the study.

A generous check was sent the department by Mrs. Eliazbeth Walker of the Truckee River for the assistance offered by members when the William Greene home burned December 30. This money will be spent for needed equipment for the department. Mrs. Walker thanked all those who rendered aid during the emergency. Especially does she thank Miss Fleurette Rosenblatt, the Tahoe telephone operator who summoned aid and the men who responded.

YOUNG PEOPLE TO DECIDE ON FRIDAY PARTIES

TAHOE CITY— Young People of Tahoe Community Church on Sunday night, January 9, will vote on whether or not to continue the Friday weekly dance and get togethers following ski club meetings. Deep snow has made it impractical to drive to the door of the church hall but parking could be arranged near the highway if they decide to continue the parties. Mr. and Mrs. Herman Rauh chaperone the club and serve as ping pong and chess instructors.

Bishop Noel Porter's movies of his recent European trip will be shown Sunday evening in Tahoe Community Hall. All are welcome to attend.

FIRE DAMAGES TAHOE CITY LODGE BUILDING

TAHOE CITY— With the mercury standing at 8 below zero Monday night the Tahoe City Volunteer Fire Department was called out to extinguish a fire at Sky Lodge. Chife Al Henry Jr. and his men arrived in record time and went to work with hand extinguishers and soon had the blaze under control. Thanks to the prompt, efficient volunteers the loss was held to a minimum and several nearby buildings escaped damage.

Les Wisler, owner of the lodge, said that Monday afternoon he had had pipes in the rear of the building thawed out with a blow torch and believes a spark from the torch may have smouldered until it broke into flame. He places the loss between $500 and $600, covered by insurance.

WEDDED 35 YEARS AGO ON CHRISTMAS DAY

LAKE FOREST—Mr. and Mrs. A. A. Snyder on December 23rd shared their 35th wedding anniversary with over 100 of their friends and neighbors in their recently completed lakeshore home. Hosts at the affair were their sons, Don and Robert. A delicious baked ham buffet was prepared for the occasion by Vern Daniels, Mrs. Grace Bowman and Mrs. Don Snyder.

The Snyders exchanged nuptial vows in Roseburg, Ore., Christmas in 1913.

HOLDS PERFECT HAND

TAHOE CITY— Mr. and Mrs. Harold Almond of Hayward spent several days of the holiday week at Schlueter's Cabins in Tahoe Park as they were unable to get into their own home due to deep snow. They were accompanied by their children Harold Jr. and Carolyn and Bob Sumner also of Hayward whose family also owns a summer home in Tahoe Park. During their stay, Almond, Sumner and Schlueter received a real thrill while playing pinochle. Almond, holding a double run of diamonds lacking one ten, won the bid and found his card in the kitty to chalk up a perfect hand.

Tahoe Letter

FROM SWANEE
Phone Tahoe City 359J

Tahoe, January 3, 1949

Dear Tahoeites:

The New Year is three days old and it's a cold world into which it was born. This morning the mercury dipped to one under zero and icicles hang from my eaves to the surface of the snow. Four feet of snow lies on the ground in Tahoe City where W. A. Simmonds, gate tender, takes his daily measurements, with a foot or more additional in districts south of here. Today the lake is almost cobalt blue and a cold wind whips the wavelets into white froth.

The New Year was a joyous one for Tahoeites in general with a big buffet supper and dance at Tahoe Inn. Just about everyone in town was present and dancing provided the evening's entertainment. Chet Langenstein and his banjo led in the singing of the old carols and popular songs. Over 100 joined in the festive occasion. A cocktail party was given by the Jay Milton Shontzes Friday evening which was attended by approximately 50, followd by dinner and dancing at the Inn, which in turn was followed by breakfast at the Charles Cross home on Fairway Drive where Mrs. Bernie Bechdolt, Mrs. Beccy Shontz and Mrs. Cross were co-hostesses.

On Tuesday Mrs. Cross left for the bay area where she will again be under medical care. It was a year ago she was injured in an automobile accident which has since impaired her health and her many friends in the area hope for her early return to good health.

A major topic of conversation here is the recent earthquakes. I was at Tahoe for the first two shocks on Monday week. I left on Tuesday night to visit in Reno at the home of daughter Marie Steenis and was there when the big shake came on Wednesday morning. From then until I left Reno Sunday night, more than 100 shocks were registered on the UN seismograph but only a few of them were preceptible. The most severe damage I can discover at the lake was done at Tahoe Tavern when the large chimny from the lobby fireplace was shattered, huge rocks falling into the fireplace in showers of soot which was scattered over the spacious lobby. At the home of Tavern caretakers Joe and Florence Regenberg, rafters gave out with a splintering noise, plaster cracked, bottles fell from the medicine chest and several small window panes were cracked. Other incidents included damage to the chimney at the Merrill summer home, wall cracks and broken dishes at the house occupied by the Herman Rauhs, and a general report of broken bottles, dishes and nicnacs.

Mr. and Mrs. Ray Frazier of Lake Forest returned from Los Angeles after a visit with their son James and family. Mrs. Frazier is now confined to her bed with a bad cold and touch of flu.

Word from the M. A. Lopes family of Timberland and San Leandro tells of severe illnesses over the holidays. Their son Melvin was down with the flu and, on top of that, underwent an appendectomy. Mrs. M. A. Lopes spent ten days in another hospital with a terrible cold and bronchitis. Mrs. Melvin Lopes and two children nursed colds at home so only M. A. Lopes escaped without illness over the holidays. Had a note from Mrs. Imon Mitchell and a picture of Imon Dale Jr. at three months. They're now in Alhambra and wish they were back at their Tahoe home in the snow.....Came too a nice letter from the Harvey Hulls at Sebastopol inviting us to visit them before they get busy in the spring. They spent Christmas at son Al's in Sacramento where the family gathered for dinner. They sent along best wishes to all their old friends.....The Earl Walkers write from Santa Barbara of welcome rains and of the coldest Christmas in 32 years with snow blanketing the foothills.

Ring off with the hope that the new year will bring fulfillment of all your hopes and dreams and that good health, good luck and good cheer will be the lot of one and all. As ever, Swanee.

AUTO MISHAP REPORTED

TAHOE CITY— No one was seriously injured when cars driven by William Lentz of Berkeley and Joe Regis of Albany collided on Dollar Grade on Sunday afternoon. Lentz was accompanied by his wife while Regis had his wife and two children with him. Both cars were badly damaged but no violation citation was issued by State Patrolman T. F. Sheehan who investigated.

HUNT WITH GOVERNOR

Mr. and Mrs. Louis Euer spent the Christmas holidays with his mother at the Euer ranch near White Rock. While below Euer was the guest of Wallace Lynn of San Francisco at his gun club near Colusa where Governor Earl Warren and two of his sons were also guests. Louis reports a successful hunt with all the party getting limits of ducks and geese.

Two Birthdates—

Charles Ray and Evelyn May Hintz celebrated their first and second birthdates resspectively on January 1 and 3. They are the children of Mr. and Mrs. Ray Hintz at Gateway Park.

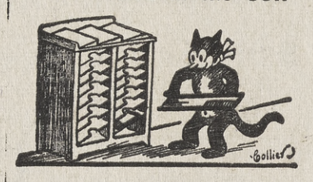
ONLY ONE of the three-year old Jackson twins of Blacklick, Ohio, was stricken with polio. Here, Beverly helps adjust the brace for Harriet, who is being aided toward recovery by the Franklin County Chapter of the March of Dimes.

MY PLACE in the SUN



by DOUG BARRETT

So you think this is cold?..... This weather warms un Karl Kielhofer's 10th Mountain Division memories and mine of 72 below in a tent in Alaska.....Still wonder what keeps Rav Hintz from falling on his face without his knapsack.....Whadava think of Tat Johnston's new spectacles.....Pretty sharp.....Jack McGlade and Jack Rasmussen on opposite sides Gene of Bud's Fountain. Vina Clepper, Gene Bardi and the boss counting candies, cards and capsules in inventory time at Loynd's Drug.....Jim Leanyon, 20-20 chief, sez Truckee's street signs are ready to be lettered and hope to see them up by early summer..... 20-30 and this columnist hope the folks in town will cooperate by numbering their places so that strangers can find their way around without so much guess work.....A couple of boys on our basketball team who deserve a lot of credit are the redheads Bill Curran and Johnny Rahlin for their 60-minute spirit and the way they both get around heavy obstacles that have from time to time been thrown in their paths .....and the same goes for Al Wakefield, heavy bucket man..... and to Johnny Rau for building a working team....The Wes Moreland family moving from our hill top to Hill Top.....Both Dr. John Keys and Steve Kolos, refs at last night's hoop thriller, looking for cover.....They had to call 'em close, fast and often.....and did a fair job.

EXPANSION FOR TAHOE HATCHERY ASKED BY GROUP

California sportsmen and civic groups to date have suggested a total of 91 fish and game construction projects for consideration by the Wildlife Conservation Board, it was reported by Board Consultant Seth Gordon.

He estimated the cost of the proposed conservation projects to total more than $20,000,000. The board will spend three million dollars annually for the next three years from state horse racing tax funds.

Gordon announced a working list of capital construction proposals which will be revised and expanded as additional information becomes available. On this list are the following for the Lake Tahoe area:

It is recommended the Tahoe Trout Hatchery near Tahoe City be expanded and modernized by the addition of a series of rearing ponds supplied with water from the lake. Two nearby sites are available—one privately owned and the other on the adjacent ed to supply 4 to 8 inch fish for planting in Lake Tahoe and surrounding waters. Four additional housing units, food preparation and refrigeration room would be needed for the expanded operation and the estimated cost would be about $215,000.

At the Mount Tallac Hatchery near Camp Richardson, El Dorado County, a similar project is proposed if a new lease can be negotiated to provide additional water for the hatchery. If the new lease cannot be secured, another site would probably be selected with the possibility of ponds at the south end of the lake to be operated with water pumped from the lake.

The Bureau of Fish Conservation also proposes a hatchery or rearing ponds on the west slope of the Sierra from Nevada County south to Tuolumne to take some of the load from the Shasta Hatchery which now supplies the area with fingerlings. It is proposed that $50,000 should be set aside for acquisition of sites and $400,000 for future construction.

There are numerous and lesser projects on other lakes and streams in the high Sierra.

From Sacramento—

Mrs. David Campbell of Sacramento was here last week to inspect any possible damage which might have resulted to her property as a result of the recent earthquake.

Tarzan

by EDGAR RICE BURROUGHS

THE STARTLED CRY OF A WARRIOR AROUSED THE VILLAGE NEXT MORNING. WARRIORS GATHERED TO STARE CURIOUSLY AT THE BODY OF MOPOLO.

"PERHAPS THE OWNER OF THE KNIFE," TARZAN SAID POINTEDLY, "CAN EXPLAIN ITS PRESENCE IN MOPOLO'S BODY." "HOW COMES THE KNIFE OF TOTAMA," RIMALI DEMANDED, "TO BE BURIED IN MOPOLO'S BREAST?"

"THE KNIFE VANISHED FROM MY HUT," TOTAMA CRIED. "WHO STOLE IT TO KILL MOPOLO, I CAN ONLY GUESS."

WHILE RIMALI AND TARZAN PREPARED TO VISIT THALIA, TOTAMA MADE MEDICINE AND PLANNED THE APE-MAN'S DEATH.

AS THE SUN ROSE ABOVE THE VILLAGES OF ORANGRIMBA, RIMALI STRUCK OFF ON THE TRAIL TOWARD THALIA.

931

1/9

"THE STRANGERS MUST NOT REACH THALIA ALIVE," TOTAMA HISSED. "YOUR SPEAR TIPS CARRY THE POISON OF THE GODS. FOLLOW---AND KILL THEM!"

ABBIE an' SLATS by RAEBURN VAN BUREN

A MEMBERSHIP BOARD MEETING OF AMERICA'S MOST EXCLUSIVE MILLIONAIRE'S CLUB - "THE FRIENDS OF FORT KNOX"

WHY ARE YOU ALL SITTIN' THERE, LOOKIN' AT ME AS THOUGH I DIDN'T HAVE A MILLION TO MY NAME!!! I'VE GOT FIVE MILLION - AND, THEREFORE, ACCORDING TO **YOUR OWN** RULES - I'M ENTITLED TO MEMBERSHIP!!!

SIGHH!!! WE NEVER SHOULD HAVE LOWERED OUR ENTRANCE REQUIREMENTS FROM A DECENT RESPECTABLE FIFTY MILLION TO A PALTRY (UGH!!!) FIVE! LOOK AT THE RIFFRAFF IT'S ATTRACTING---

HO-HUM!!! - I THINK I CAN SOLVE THIS, JUNIUS--

MR. HAGSTONE, KINDLY WAIT OUTSIDE WHILE WE DISCUSS YOUR APPLICATION.

OKAY - BUT MAKE IT **SNAPPY!!!** MY TIME'S WORTH MONEY!!!

HOW CAN HIS TIME BE WORTH MONEY - WHEN HE'S OVER SIXTY - AND ALL HE'S GOT TO SHOW FOR IT IS **FIVE MILLION?**

I'M LEAVING FIVE MILLION TO MY MASSEUR AND I FEEL PRETTY CHEAP ABOUT IT, AT THAT!!

IT WOULD BE DISASTROUS TO PERMIT A PEASANT LIKE THAT INTO OUR CLUB.

BUT WE **MUST** - AS LONG AS HE MEETS THE TECHNICAL REQUIREMENTS - AS LONG AS HE HAS FIVE MILLION.

WELL--THAT WON'T BE LONG!!! GET MY BROKER ON THE PHONE.

YES, SIR--

O.K.?-THIS IS J.P.--OH-NOTHING IMPORTANT--JUST WANT TO RUIN A CHAP. OH, NO-NO ONE WE KNOW---

THE NAME IS HAGSTONE - OF CRABTREE CORNERS - FACTORIES, BANKS, MORTGAGES AND THAT SORT OF THING - SMALL STUFF. SEE THAT HE'S COMPLETELY RUINED. NO - DON'T LEAVE HIM A **CENT** - CLEAN HIM OUT!!!

1-9

YES, SIR. IT OUGHTN'T TO TAKE LONG. I'LL CALL YOU BACK IN FIFTEEN MINUTES.

TO BE CONTINUED

HIX'S STRANGE as it seems

JOE INKS

BY HENRY FORMHALS

NOPE! NOT HERE, EITHER!

GRRR- **UNK!**

THAT SETTLES IT! I'M GONNA COMPLAIN! THAT CONFOUNDED NEWSBOY HASN'T LEFT ME A PAPER IN A **WEEK!**

HELLO, CIRCULATION? --- SAY, I HAVEN'T BEEN DELIVERED A PAPER IN A WEEK! HOW ABOUT THAT?

I'M SORRY, SIR! I'LL CALL THE BOY AND HAVE HIM BRING YOU ONE RIGHT OUT!

Copr. 1949 by United Feature Syndicate, Inc.
Tm. Reg. U. S. Pat. Off.—All rights reserved

ARE YOU TH' FELLA THAT COMPLAINED ABOUT NOT GETTIN' YOUR PAPER FOR A WEEK?

YEAH, ARE YOU TH' FELLA WHO CAN'T REMEMBER WHO HIS CUSTOMERS ARE?

DON'TCHA KNOW THAT BY COMPLAININ' LIKE THAT Y'MIGHT GET ME DOCKED? MAYBE EVEN **CANNED?**

LOOK - I'M A VERY PATIENT MAN! I DON'T WANTA GET ANYONE IN TROUBLE! I JUST WANTA BE ABLE T'READ MY PAPER EACH DAY!

I CAN'T RING ALL MY CUSTOMERS' DOORBELLS AN' PRESENT 'EM THEIR PAPER ON A SATIN CUSHION! I'D NEVER GET THROUGH WITH MY ROUTE!

NOW, LISTEN— DON'T BE SMART! ALL I ASK IS THAT YOU TOSS MY PAPER ONTO MY PROPERTY **EVERY** DAY!

1-9

I **DO!** I'VE NEVER MISSED DELIVERIN' YOUR PAPER, EVEN **ONCE!**

NOW, DON'T GIVE ME THAT! WHY, I'VE LOOKED HIGH AN' LOW!

YEAH, BUT Y' NEVER LOOKED **HIGH ENOUGH!**
